

# Game Flow

innovation game station

# Home screen

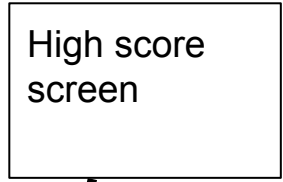

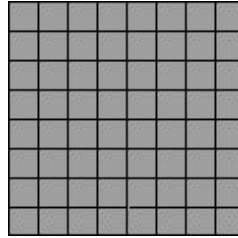

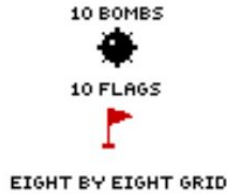

-“Game Menu” is a button you press to go to game menu

# Game Menu

- press on "Minesweeper" or "Connect 4" or "Tic-tac-toe" to go forward to respective how-to-play screens
- let's start with minesweeper

# Minesweeper:

Click on play, goes to 3,2,1 screen

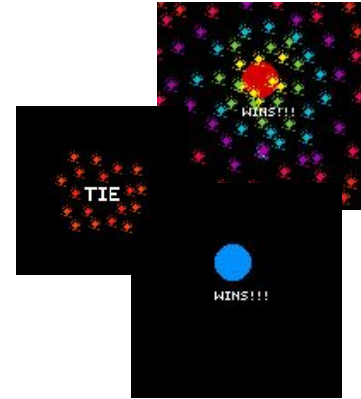

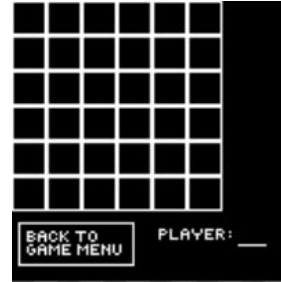

Timeout of 20 sec, then goes to game board

After you win or lose, it goes straight to this screen

Timeout 20 sec of the win/lose screen, then automatically back to blue Dawson home screen

# Connect 4

Once you get back to blue home screen, you click to get to green game menu, then, pick connect 4

Click on connect 4  
To get to how to play

click on play button  
to get to game  
board

Automatically goes  
to win/tie screen

Automatically  
Back to Dawson  
Home screen

# Tic-tac-toe

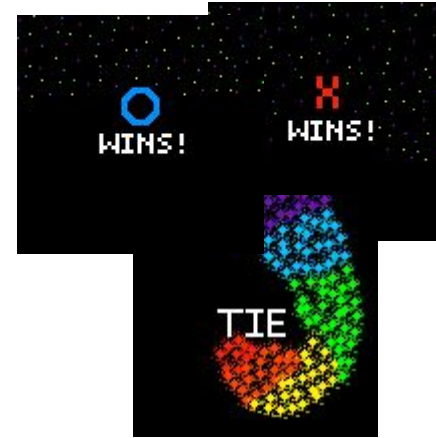

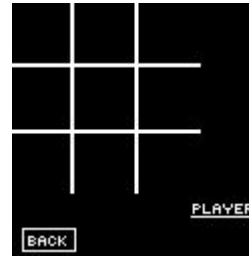

Once you get back to blue home screen, you click to get to green game menu, then, pick tic-tac-toe

Click on tic-tac-toe  
To go to how to play  
button

click on play

Get to game board, go to  
win/lose/tie when you  
finish a game

Timeout of 20 sec for win  
screen then back to blue  
home screen

# Easter egg, if you want!

Some combo of buttons (clicking on corners?)
